

# Fall 2018

[www.faithpointfellowship.org](http://www.faithpointfellowship.org) • Rev. Eustacia Marshall, Pastor

## #FaithIt

*Soul Food Conversations* launched this year with the theme, #FaithIt. We are excited to hear from the Lord regarding what it means to #FaithIt as we live out Christ's purpose for our lives individually and collectively. We kicked off our first bible study with a group of 21 students in a discussion of "*Mustard Seed Faith*" (Luke 17: 5 -6) and followed with "*Overwhelmed but not Overcome*" (2 Chronicles 20: 1 – 18 and "*Breaking Up with Stress*" (Philippians 4: 6 – 18).

## TESTIMONIES/CELEBRATIONS

Thank you so much Pastor Marshall and Faith Point Fellowship. My faith has grown so much since meeting you and being part of Faith Point. Faith Point Fellowship has even made it hard for me to decide where to live after graduation. I am loving North Carolina!

Our bible studies have helped me to learn how to trust God even when I do not fully understand.

Faith Point has a spirit of hospitality that is so special. I get excited when we connect with new people and they feel welcomed.

I have been struggling with what's next. Through our bible studies, I am understanding better where God wants me to be. I am grateful for growth this year, and the ability to discern how to grow stronger.

By feeding myself through God's word, I am learning how to maintain consistency and tranquility even when things do not go as I would like them to go.

Faith Point has taught me a lot. This ministry has been part of my healing.
